

# DUNCAN MURDOCH

## Areas of Expertise

- **Private Equity Investing.** Mr. Murdoch has over 25 years of investing and private equity experience, including 17 years at Macquarie Capital where he co-led the Principal Transactions Group US for eight years. While at Macquarie Capital, he led numerous investments and acquisitions on behalf of Macquarie Capital and funds managed by affiliates of Macquarie Capital across multiple sectors, including infrastructure, business services, environmental services, aerospace, and consumer services.
- **Financing.** During his career, Mr. Murdoch financed many billions of dollars in transactions of all different types, including senior debt, project finance, structured equity products, control equity, venture capital, and public market transactions.
- **Strategy.** Mr. Murdoch has served on over a dozen private company boards, and in those roles has brought a strong focus on corporate strategy, helping companies expand their business organically and through mergers and acquisitions.
- **Infrastructure and Government.** Having spent most of his career investing in and advising companies in the infrastructure and government sectors, Mr. Murdoch has an intimate understanding of business drivers, key issues, and stakeholders.
